Good evening,

In an effort to improve our communications regarding transportation services, we are upgrading the transportation notification system, which will launch in the fall. As part of this upgrade, it is necessary for us to begin phasing out the Here Comes the Bus App, which will become inactive next week. We sincerely apologize for the inconvenience this may cause. In an effort to make this transition easier, we have created an alternate system for communicating bus delays.

For the remainder of the school year, parents and students will be able to view a live list of late buses, AM and PM, by using the link on the Transportation page on the Camden County Schools website - <https://docs.google.com/spreadsheets/d/13GFUCIBrJiE7NO1UHVmu8mB22WZSs7DLypOQastoqS8/edit#gid=368193945> [track.spe.schoolmessenger.com]

Please contact the Transportation Department at (912) 729-8374 if you have any questions.

Thank you in advance for your patience during this transition.
